More than 590 donors have committed to the future of Kevin Guest House. Visit [KevinGuestHouseGrows.org](http://KevinGuestHouseGrows.org) to learn more about our plans for expansion.

Dear Friends of Kevin Guest House:

We are celebrating another fantastic year at Kevin Guest House filled with many exciting promotions that helped get the word out about our mission including the **2017 Junior League of Buffalo and The Buffalo News Decorators' ShowHouse** and the launch of our **"Who is Kevin?"** marketing campaign. A wonderful surprise this summer, nearly all of Kevin's siblings and their families were able to join us for a reunion at the 45th Anniversary Celebration to see the progress at our new Russell J. Salvatore Hospitality House at 766 Ellicott Street. We are nearly ready to open our fourth building, welcoming those needing handicap access and doubling the amount of guests we are currently able serve. With just over **\$400,000 left to raise for our capital campaign to open these doors**, we need all the help from our friends for this final stretch. Thanks to recent major donors that have brought us that much closer to our goal such as the *Statler Foundation, Josephine Goodyear Foundation, Swift Family Trust, Cutco Corporation, East Hill Foundation, Praxair Inc, the Whitehead family, most significantly the Margaret L. Wendt Foundation*. There is also a challenge grant by Tom & Hugh Garvey to their fellow alumni at St. Bonaventure University in honor of Sister Margaret Carney.

How can you help? Consider introducing us to a friend you think might have interest. Simply ask them if they want to go on a tour and we will do the rest. One way we are reaching out to new supporters is by launching **a new young professionals group called Giving Hearts**. The concept is simple, recruit 20 individuals to adopt us for one year, ask them to commit to raising \$1,000 each for Kevin Guest House and attend six various networking, professional development, volunteer opportunities and fundraising events. Then nominate someone by the end of the year to take their place for the next class. The goal is to have them open their circle of influence and invite more friends to get involved with us. Hopefully they'll be so inspired and want to do even more to keep our families together during medical crisis. We're delighted to have **Brittany Frey** (Buffalo Spree), **Carolyn Leed** (Leed Law) and **Matt Whitehead** (Howard Hanna) lead this first ever program. You can nominate a young professional yourself by contacting us directly to join Giving Hearts or one of our fundraising committees.

What's more, long-time friends, the **Buffalo Sabres and John W. Danforth** launched a one-of-a-kind Rick Jeanneret Bobblehead with half of the proceeds benefiting Kevin Guest House. Duke Reilly from Danforth has been a supporter for many years, he and Rick were happy to select us to partner with this promotion. It was so popular; they sold out in 25 hours!

**We hope you'll join us and share our success whether by scheduling a tour, promoting our efforts on social media or bringing a friend to an event. We are truly grateful for your commitment to our guests!**

Sincerely,

Lynsey Zimdahl Weaver

# CHECKERS \* AC MUELLER MILE

1 MILE COMPETITION AND FUN RUN

Thanks again to the Checkers Athletic Club and Mueller Services for another successful Mueller Mile, held on August 10, 2017. Checkers President Tom Droz & race committee member Christina Lapsley presented a check for **\$2,100** to KGH at the board retreat. **THANK YOU CHECKERS!**

## Motorcycle Ride for KGH

On July 22, 2017, Kim & Kerry Root of Kim's Diner/Bostwick Kitchen in Candor, NY along with other family & friends of guests Ed & Corky Bostwick held a 100 mile motorcycle ride in Tioga County in support of Ed's fight with leukemia. The event raised **\$3000** to help other guests who may not be able to afford their stay. Our very own Building & Grounds Manager, Jeff Davis, participated in the ride! Ed Bostwick received a bone marrow transplant at Roswell in February 2017 and he and Corky stayed in one of our transplant recovery apartments from March 9 – May 8. **THANK YOU FOR YOUR GENEROSITY!**

**JOIN THE KEVIN GARVEY SOCIETY**

Members of the Kevin Garvey Society are individuals who give \$500 or more throughout the year to directly support our guests. Consider becoming a member of the Kevin Garvey Society with a commitment starting at just \$42 a month. Visit [KevinGuestHouse.com/Give/KGS](http://KevinGuestHouse.com/Give/KGS) to learn more.

**A Lesson in Giving**

This past Christmas Great Auntie Anne sent what would become the family's favorite gift - \$10 to each of the seven Fleissner children with the instructions to donate it to the charity of their choice. After realizing the \$10 was not going into their piggy banks, the children became excited about giving the money away! There was never any question as to where to send the money. Kevin Guest House, started by mother Melinda's grandparents, has always been a part of their family.

*"...we love how the Kevin Guest House helps to support the people who are sick at the hospital. If I was sick I would want my family to be able to stay with me to give me support, and I think that every family would agree with me." - Mary Fleissner, 10 years old*

Working together the children, ranging in age from three to 16 years, encouraged other members of their family to join their efforts and together would come to donate \$750. Their gift was enough to host a guest in our Main House for one month.

Parents Christian and Melinda found this to be a true Christmas blessing especially as the kids spoke about how their gifts would help others, rather than considering what they wanted for Christmas.

**What Legacy Will You Leave?**

The legacy of Cyril and Claudia Garvey can be seen in the grateful hearts of our guests who find comfort in the homes that make up Kevin Guest House. This is only possible today because of the donations you make, and can be possible tomorrow by sharing your intentions to leave a legacy gift. Together we can ensure the next generation of guests are provided a comfortable and supportive home away from home while traveling to Buffalo for medical care.

Visit [KevinGuestHouse.com/Give/Legacy](http://KevinGuestHouse.com/Give/Legacy) for more details about how you can make a gift through your will, retirement plans or other estate plans.

Bring your friends, family and co-workers together to help **PAY IT FORWARD** for guests like Gregg, Dennis, Shirley, and the Reinhardt family. Visit [KevinGuestHouse.com/Give](http://KevinGuestHouse.com/Give) today to find out how you can spread the word and help Pay it Forward for the next guest.

So far, 2018 has been a tough year for Greg Ahlbin from Rome, NY. He has been away from home for nearly three weeks to be by the side of his son Nick, who has been at ECMC since January 1st when he had a severe allergic reaction to over the counter cold medicine.

*"Because of Kevin Guest House, I can be here by my son's side."*

## VOLUNTEER SPOTLIGHT

## Buffalo Sabres Wives

We were once again happy to welcome the lovely wives and partners of our own Buffalo Sabres to KGH for their annual Holiday Lunch and day of volunteering. Some of the ladies helped a chef from 716 prepare a delicious lunch for our guests, complete with amazing individual chocolate trifles, and others helped to decorate holiday cookies for us to bring to the local hospitals. Even Sabretooth made an appearance. Thanks ladies for your kindness!

## Dinner Group Spotlight: BNMC Rotary

One of the best ways to get a feel for the magic of KGH is to volunteer to cook and serve dinner to our guests. After a long day at the hospital, there is nothing better than coming back to a home cooked meal! One of our many fantastic monthly dinner groups is the Buffalo Niagara Medical Campus Rotary Group. Not only do they donate their time to provide meals to our families, they also are helping us complete our expansion at 766 Ellicott with a \$2,000 grant to complete the security system at the new building. Thanks everyone at the BNMC Rotary for keeping our guest safe, secure and well fed!

## WAYS TO VOLUNTEER

Kevin Guest House Volunteers help in so many ways!

- ♥ Reception desk – welcoming and checking in guests, taking reservations & other office duties.
- ♥ Housekeeping & cleaning - help keep our home looking beautiful for our guests
- ♥ Spring & Fall cleaning projects such as maintaining flower beds, mowing & weed whacking lawns and shrubs etc
- ♥ Preparing home cooked meals for guests in our beautiful kitchen
- ♥ Indoor maintenance – painting, repairs, changing light bulbs, hanging wall décor, etc.
- ♥ Preparing the house for special events
- ♥ Volunteering at one of our fun KGH fundraisers

Volunteers are needed during the weekdays, weekends & evening hours. KGH is looking for regular volunteers to help out on a weekly, bi-weekly or monthly basis.

**Contact Cathleen for more information or to sign up for a day & time slot at [callen@kevinguesthouse.org](mailto:callen@kevinguesthouse.org). We'll work with you to find a task that matches your interests and skill sets.**

## We'll Miss you Courtney

We bid a sad farewell to our wonderful House Manager and Volunteer Coordinator, **Courtney Jensen**. Courtney left us in the fall for a new adventure in Denver, Colorado. Her attention to detail, her comforting way with guests, connection with our volunteers and her great spirit and endless energy will be missed by us all. We wish her the best in the Rockies!

*5K & Fun Run*

Thanks to all who joined us for our first annual Kevin Guest Fall Fest 5K & Fun Run, raising nearly \$24,000 for our patients and families! 120 runners started at the new Allen Street NFTA Metro station and tried to Beat the Train from the station to exchange street and back. Thanks to Dash's Gourmet Catering for providing what we consistently heard was "the best food we have ever had at a race!"
