The KEVIN GUEST HOUSE STORY

We are fortunate to have state-of-the-art health care right in our backyard. Imagine if you had to travel many miles and stay away from home for days, weeks or even months to receive critical care for either yourself or a loved one. Where would you stay? How would you afford it? That is the reality for the families that stay at Kevin Guest House.

It was January 1972 when 13-year-old Kevin Garvey passed away. He had spent the last 18 months fighting leukemia, spending much of that time at Roswell Park. While at the hospital, Kevin's parents, Claudia and Cyril, witnessed the hardships of other families, who slept in their cars and waiting rooms because they were unable to afford lodging.

The Garveys wanted to help those families, so they purchased the property at 782 Ellicott Street and opened their doors in July 1972, welcoming people to Kevin Guest House. More than 65,000 guests, coming from Western New York, 49 states, Canada and 11 other countries, have stayed with us since we opened our doors 50 years ago.

Located on the Buffalo Niagara Medical Campus, Kevin Guest House was the first independent healthcare hospitality house in the United States. We provide a comfortable home away from home for patients and their families who are seeking critical medical treatment at Buffalo-area hospitals and medical centers.

In August 2018, our campus grew to four properties as we opened the Russell J. Salvatore Hospitality House on the Kevin Guest House Campus, making us fully accessible for the first time and allowing us to serve more families. Our two main houses combine to offer 10 guest rooms, four family suites, common living and dining areas along with amenities from free laundry service and breakfast to our beautiful garden. The Russell J. Salvatore Hospitality House also includes two apartments, giving our campus a total of eight units which allow bone marrow and other transplant patients an environmentally safe place to recover within the required distance to their medical facility. In 2022, the KGH50 Campaign began to bring the oldest three buildings on the Kevin Guest House campus to the same standard as this newest building, in order to maximize capacity and serve our guests in the best environment for healing.

Please visit us at www.kevinguesthouse.org to find out more & learn how you can help.

Pay it forward for our guests...

Have you or a family member ever become ill or had to receive unexpected medical care away from home?

Imagine what it would be like...

What would you do if you had an unexpected medical emergency – where would you stay? How would you afford it? Who would travel with you?

At Kevin Guest House, we provide a safe, comfortable and affordable home away from home atmosphere for patient families. With your support, we can continue to help pay it forward for the thousands of guests needing a place to stay.

Kevin Guest House serves more than 2,000 guests each year and welcomed 65,000 guests from 49 different states since opening in 1972. With 24/7 staff support, complimentary meals, parking and self-service laundry, Kevin Guest House helps ease the transition away from home and provides the opportunity to interact with other families who can understand what they are going through.

JOHN R. OISHEI
Children's Hospital

Carrie Secondo and Robert & Linda Boyce LITTLETON, CO & HORNELL, NY

Carrie Secondo (pictured to the left) stayed with us mid-June through early July 2022 from Littleton, CO. Her father, Robert Boyce also stayed at the house, away from his hometown of Hornell, NY (Steuben County) to care for his wife, Linda. As a result of circulation issues, along with blockage in her pelvis, Linda had her leg amputated at Buffalo General Medical Center.

Carrie said, "Staying at Kevin Guest House brought such comfort to me and my dad. We were so tired driving from Rochester daily, and this close proximity to Buffalo General helped relieve stress visiting my mom. The staff was so caring and helpful. I would highly recommend anyone needing a place to stay, during medical circumstances stay here."

It was a long two weeks, but Carrie and Robert stayed busy after visiting hours by reading at the house. They loved the set up of the Victorian house and thought the flowers outside were beautiful, providing comfort during a time they needed it the most. The atmosphere alleviated stress, allowing them to be there for Linda as she transitioned to a new way of living.

They were "beyond grateful for the Kevin Guest House and to be so close to the hospital. We truly thank KGH for the hospitality and friendly staff."

[Carrie, Linda, Robert
& the family dog, Becca]

When asked for advice for future guests, Carrie said:

"Keep your face always toward the sunshine, and shadows will fall behind you."

Pathway to Remembrance and Healing

George Leedom, from Saranac Lake, NY is a previous KGH guest, having stayed with us for several weeks in 2019 while his late wife Eloise received a bone marrow transplant. In addition to honoring her memory with a paver in our Healing Garden, he has made donations for KGH logo pavers on the entrance and exit paths in the garden and contributed to our operating funds.

Among the reasons he chooses to support Kevin Guest House is knowing how impactful his contributions are to a small organization. We are grateful to George for being our first donor to set up a Charitable Gift Annuity to benefit Kevin Guest House, and he hopes to inspire others to do the same.

"For those donors who are going to leave money to charity when they die, a CGA is a great way to give the money now, get a steady income now, get a tax break now, and not lose tax any tax break from your estate (which you will if you pass with the money still in your name). It is true that the organization does not get to use the money now, but has it on their books as a future donation."

"Why KGH???" It was a super place for somebody or family to stay when a member has cancer. Under treatment or confined to the hospital, it sure took the burden of finding what to do with myself for an extended stay."

**PURCHASE YOUR PAVER
BY OCTOBER 27TH TO
REMEMBER OR HONOR A
LOVED ONE THIS YEAR.**

Our Healing Garden is one of the only green spaces on the Buffalo Niagara Medical Campus and our walkways are often the only critical exercise & fresh air our immune compromised guests get during their stay.

Paver Size	Cost
4x7 inches	\$250
8x7 inches	\$500
8x13 inches	\$1,000

George began his giving by dedicating the start of our walkway with a paver of our newest KGH logo here and continues to support our paver program to honor his wife.

The KGH50 Campaign

During the pandemic, shared common spaces & bathrooms in the aging original properties revealed greater risks to immunocompromised guests, with old HVAC systems and decades old materials being difficult to thoroughly clean. This campaign will allow the KGH to add private bathrooms in the main house, make durable upgrades in structure & safety and meet healthcare standards now re-requested to serve the most compromised patients & caregivers. The goal is to upgrade the original 3 buildings to the standard of the 2018 expansion for long-term health, safety & comfort of guests.

1 TRANSPLANT APARTMENTS

UPGRADE BATHROOMS, KITCHENS & COMMON SPACES IN EXISTING FOUR ISOLATED TRANSPLANT RECOVERY APARTMENTS

2 PRIVATE BATHROOMS

ADD PRIVATE BATHROOMS & SUITES TO OUR MAIN HOUSE FOR THE FIRST TIME IN OUR HISTORY

Sanitar materials to Salvatore House

3 IMPROVE AIR QUALITY AND FILTRATION

IMPROVE AIR QUALITY AND FILTRATION BY REPLACING AND ENHANCING DECADES OLD HVAC SYSTEMS TO INTRODUCE REVOLUTIONARY TECHNOLOGY THAT TRAPS MICROORGANISMS, SUCH AS BACTERIA, MOLD & VIRUSES.

New systems clean air quickly

4 UPGRADE MATERIALS

INSTALL DURABLE, EASY TO DISINFECT, COMMERCIAL GRADE MATERIALS AND FURNITURE IN ALL THREE ORIGINAL PROPERTIES.

5 ENHANCE SECURITY

ENHANCE OUR SECURITY SYSTEMS & TECHNOLOGIES THAT EASE ABILITY TO VACATE OUR BUILDING FOR EMERGENCY NEEDS

6 EXTERIOR CAMPUS

REFRESH OUR EXTERIOR CAMPUS TO ITS ORIGINAL GLORY INCLUDING PAINTING THE ORIGINAL HOMES.

This campaign is critical now so that we are able to return our occupancy to pre-pandemic levels & serve the most amount of guests by providing the dignity of private spaces critical to help them recover & stay safe.

GOAL:
\$2 Million

We need your support to best serve our most vulnerable guests, and every gift helps! Scan to contribute to the KGH50 Campaign.

Campaign Progress

Join us for a tour to learn more about our plans and see what's new at Kevin Guest House!

Thanks to our Building & Grounds committee, including members from Carmina Wood Design & Pike Construction for leading the effort to kick-off construction in targeted areas of our original three aging properties so we can stay open to serve as many guests as possible while closing key areas to move forward.

We invite you to join these donors for committing to our vision of setting the standard of compassionate guest care!

With \$560,000 to goal, your support is critical so that we can safely serve more immunocompromised guests. As the need for these spaces continues to grow, we need your help to allow the most critically ill guests to safely heal near the hospital.

THE HISTORY OF KEVIN GUEST HOUSE

*"If you are lucky enough to have just one good idea
and work really hard on it, it makes life all worthwhile."*

—Cyril Garvey, Founder

*Young Kevin's legacy lives on
with the support of his seven
siblings and extended family.*

The Heart Award

The Heart Award is given in honor of Kevin “Heart” Garvey in recognition of our outstanding volunteers who have opened their hearts to our guests.

Individual Volunteer Honoree:

Ann Blass

Ann has been delivering delicious cakes to our guests each week for nearly 10 years. When she retired in 2022, she began dedicating more of her time to volunteer in our offices every Wednesday. Ann is a special friend to the House, helping with anything asked of her, including making cheerful thank you calls to donors, entering data, stuffing & addressing hundreds of envelopes for our next event or creating Welcome Bags as a special treat for guests when they first arrive.

Healthcare Partner Honorees:

Roswell Park Cellular Therapy Social Work Team

Stephanie Glenns-Segal, Dena Hewett, Teresa Johnson, Courtney Mann Rinow, Joni Maxick-Jason, Shajada Rainforth, Jessie Sexton

This team is vital to our daily operations, ensuring that patients & caregivers who need safe accommodations always have a place to rest their head. During the pandemic, their guidance for both staff and guests was vital for us to stay open, improving our operations to be the safest environment for immune compromised families. They are a valued part of our KGH team, especially in navigating the challenges of the pandemic. .

Youth Volunteer Honorees: *Quinn Robinson & Emily Mostowy*

What started as a way to gain hours required for their leadership program became a yearlong commitment from these two friends who have never missed a monthly meal. High school juniors at Sacred Heart Academy, each month they dedicate a Sunday to prepare dinner for 20+ guests. As busy students, we commend their commitment to preparing, packaging & labeling delicious meals to provide comfort to our guests.

Volunteer Group Honorees: *High Wire Woman & Berardi Immigration Law*

Rosanna Berardi and her team have been consistent and creative supporters since first getting involved in 2017 as a dinner group, making every detail special. They grew into major supporters of Affaire of the Heart, one of our first Supper in the Street sponsors, encourage employees to be a part of the Giving Hearts program and order flowers from our many sales. Rosanna was inspired to create her own fabulous new event to spread the word of our work after learning about our KGH50 campaign. Hundreds of new friends were introduced to our mission at the first Luxury Purse Bingo event this winter, raising over \$35,000 for our capital project.

About Giving Hearts

Giving Hearts is engaging young, entrepreneurial and philanthropic individuals who are on the rise in the Buffalo-Niagara community.

Together we will ensure that every patient and family member traveling to Buffalo for medical care will be welcomed through our doors, regardless of their ability to pay for their stay.

Join a dynamic group of individuals who have committed for one year to:

- **LEARN** about non-profits, the medical campus and how to fundraise for a cause.
- **SUPPORT** the patients and families who call KGH their “home away from home” with hands-on volunteering and fundraising.
- **NETWORK** with other young professionals who are looking to contribute to a cause, as well as KGH board members and other community supporters.
- **SHARE** your knowledge with friends, family and co-workers as we look to increase awareness of KGH and grow our network.

Do you, or someone you know, want to support KGH

Change the world with a Giving Heart

Jack and Sue Alonge

DUNKRIK, NY

"This past summer, I began my journey to fight a leukemia diagnosis which involved several weeks of chemotherapy at Roswell Park Comprehensive Cancer Center. Not living in Buffalo, there were times my wife and I needed to stay nearby to avoid the added stress of excessive travel. We couldn't have been more fortunate and blessed for an introduction to Kevin Guest House and its outstanding team. Following my stem cell transplant this past fall, it became more critical to stay close to Roswell, as I required regular follow-up visits. It was apparent right away that the excellent housing accommodations, the many food donations and the dedication and compassion of the staff was overwhelmingly heartfelt.

KGH understands the special needs of cancer and transplant patients like me, continually raising donor funds to make the improvements and upgrades necessary for guest safety — even more so today, because of the pandemic. The KGH properties not only provide a well maintained and home-like atmosphere, but have the added benefit of the many intangible benefits that the staff and team extended to us through their personal service. They made us feel like family members and not merely guests. As cancer patients, the anxiety, fears and stress associated with treatment is often more than enough to handle. Feeling welcome and cared for by everyone at KGH eased our burdens dramatically. I couldn't express enough how much we highly commend the KGH for those in need. We need more such 'safe havens and sanctuaries' in Buffalo."
