The KEVIN GUEST HOUSE STORY

We are fortunate to have state-of-the-art health care right in our backyard. Imagine if you had to travel many miles and stay away from home for days, weeks or even months to receive critical care for either yourself or a loved one. Where would you stay? How would you afford it? That is the reality for the families that stay at Kevin Guest House.

It was January 1972 when 13-year-old Kevin Garvey passed away. He had spent the last 18 months fighting leukemia, spending much of that time at Roswell Park. While at the hospital, Kevin's parents, Claudia and Cyril, witnessed the hardships of other families, who slept in their cars and waiting rooms because they were unable to afford lodging.

The Garveys wanted to help those families, so they purchased the property at 782 Ellicott Street and opened their doors in July 1972, welcoming people to Kevin Guest House. More than 65,000 guests, coming from Western New York, 49 states, Canada and 11 other countries, have stayed with us since we opened our doors 50 years ago.

Located on the Buffalo Niagara Medical Campus, Kevin Guest House was the first independent healthcare hospitality house in the United States. We provide a comfortable home away from home for patients and their families who are seeking critical medical treatment at Buffalo-area hospitals and medical centers.

In August 2018, our campus grew to four properties as we opened the Russell J. Salvatore Hospitality House on the Kevin Guest House Campus, making us fully accessible for the first time and allowing us to serve more families. Our two main houses combine to offer 10 guest rooms, four family suites, common living and dining areas along with amenities from free laundry service and breakfast to our beautiful garden. The Russell J. Salvatore Hospitality House also includes two apartments, giving our campus a total of eight units which allow bone marrow and other transplant patients an environmentally safe place to recover within the required distance to their medical facility. In 2022, the KGH50 Campaign began to bring the oldest three buildings on the Kevin Guest House campus to the same standard as this newest building, in order to maximize capacity and serve our guests in the best environment for healing.

Please visit us at www.kevinguesthouse.org to find out more & learn how you can help.

Pay it forward for our guests...

Have you or a family member ever become ill or had to receive unexpected medical care away from home?

Imagine what it would be like...

What would you do if you had an unexpected medical emergency – where would you stay? How would you afford it? Who would travel with you?

At Kevin Guest House, we provide a safe, comfortable and affordable home away from home atmosphere for patient families. With your support, we can continue to help pay it forward for the thousands of guests needing a place to stay.

Kevin Guest House serves more than 2,000 guests each year and welcomed 67,000 guests from 49 different states since opening in 1972. With 24/7 staff support, complimentary meals, parking and self-service laundry, Kevin Guest House helps ease the transition away from home and provides the opportunity to interact with other families who can understand what they are going through.

Pay it forward PROGRAM

Libby's Journey

Imagine being in a traumatic car accident that sends your 5-year-old daughter to a hospital 90 miles from your new home in Pennsylvania. Libby suffered a traumatic brain injury and lingering questions over her long-term health when she was brought to the John R. Oishei Children's Hospital in Buffalo after a violent car crash with her parents. Libby was transported by helicopter to Oishei while the rest of the family was treated near their home. After surgery, Libby spent several days in the intensive care unit. In the trauma of dealing with Libby's injuries and their own, the family is extremely grateful for what has been tremendous support received from the community including their stay at Kevin Guest House where mom felt safe & welcomed at our temporary home.

Libby is here holding Kevin Garvey's photo & smiled when discharged home with a special stuffie given by a young volunteer who made special bags for kids staying with us. We are thankful Libby is on the road to recovery.

Pathway to Remembrance and Healing

George Leedom, from Saranac Lake, NY is a previous KGH guest, having stayed with us for several weeks in 2019 while his late wife Eloise received a bone marrow transplant. In addition to honoring her memory with a paver in our Healing Garden, he has made donations for KGH logo pavers on the entrance and exit paths in the garden and contributed to our operating funds.

Among the reasons he chooses to support Kevin Guest House is knowing how impactful his contributions are to a small organization. We are grateful to George for being our first donor to set up a Charitable Gift Annuity to benefit Kevin Guest House, and he hopes to inspire others to do the same.

"For those donors who are going to leave money to

charity when they die, a CGA is a great way to give the money now, get a steady income now, get a tax break now, and not lose tax any tax break from your estate (which you will if you pass with the money still in your name). It is true that the organization does not get to use the money now, but has it on their books as a future donation."

"Why KGH??? It was a super place for somebody or family to stay when a member has cancer. Under treatment or confined to the hospital, it sure took the burden of finding what to do with myself for an extended stay."

PURCHASE YOUR PAVER BY OCTOBER 28TH TO REMEMBER OR HONOR A LOVED ONE THIS YEAR.

Our Healing Garden is one of the only green spaces on the Buffalo Niagara Medical Campus and our walkways are often the only critical exercise & fresh air our immune compromised guests get during their stay.

Paver Size Cost

4x7 inches	\$250
8x7 inches	\$500
8x13 inches	\$1,000

George began his giving by dedicating the start of our walkway with a paver of our newest KGH logo here and continues to support our paver program to honor his wife.

If you'd like to purchase a paver,
call us at 716-882-1818 or

The KGH50 Campaign

During the pandemic, shared common spaces & bathrooms in the aging original properties revealed greater risks to immunocompromised guests, with old HVAC systems and decades old materials being difficult to thoroughly clean. This campaign will allow the KGH to add private bathrooms in the main house, make durable upgrades in structure & safety and meet healthcare standards now re-requested to serve the most compromised patients & caregivers. The goal is to upgrade the original 3 buildings to the standard of the 2018 expansion for long-term health, safety & comfort of guests.

1 TRANSPLANT APARTMENTS

UPGRADE BATHROOMS, KITCHENS & COMMON SPACES IN EXISTING FOUR ISOLATED TRANSPLANT RECOVERY APARTMENTS

2 PRIVATE BATHROOMS

ADD PRIVATE BATHROOMS & SUITES TO OUR MAIN HOUSE FOR THE FIRST TIME IN OUR HISTORY

Similar materials to Salvatore House

3 IMPROVE AIR QUALITY AND FILTRATION

IMPROVE AIR QUALITY AND FILTRATION BY REPLACING AND ENHANCING DECADES OLD HVAC SYSTEMS TO INTRODUCE REVOLUTIONARY TECHNOLOGY THAT TRAPS MICROORGANISMS, SUCH AS BACTERIA, MOLD & VIRUSES.

New systems clean air quickly

4 UPGRADE MATERIALS

INSTALL DURABLE, EASY TO DISINFECT, COMMERCIAL GRADE MATERIALS AND FURNITURE IN ALL THREE ORIGINAL PROPERTIES.

5 ENHANCE SECURITY

ENHANCE OUR SECURITY SYSTEMS & TECHNOLOGIES THAT EASE ABILITY TO VACATE OUR BUILDING FOR EMERGENCY NEEDS

6 EXTERIOR CAMPUS

REFRESH OUR EXTERIOR CAMPUS TO ITS ORIGINAL GLORY INCLUDING PAINTING THE ORIGINAL HOMES.

This campaign is critical now so that we are able to return our occupancy to pre-pandemic levels & serve the most amount of guests by providing the dignity of private spaces critical to help them recover & stay safe.

GOAL:
\$2 Million

We need your support to best serve our most vulnerable guests, and every gift helps! Scan to contribute to the KGH50 Campaign.

Campaign Progress

Join us for a tour to learn more about our plans and see what's new at Kevin Guest House!

Thanks to our Building & Grounds committee, including members from Carmina Wood Design & Pike Construction for leading the effort to kick-off construction in targeted areas of our original three aging properties so we can stay open to serve as many guests as possible while closing key areas to move forward.

We invite you to join these donors for committing to our vision of setting the standard of compassionate guest care!

With \$560,000 to goal, your support is critical so that we can safely serve more immunocompromised guests. As the need for these spaces continues to grow, we need your help to allow the most critically ill guests to safely heal near the hospital.

The bottom section of the image has a solid dark blue background. On the left side, there are four BNMC logos stacked vertically. Each logo consists of a stylized diamond shape made of four smaller diamonds in different colors (teal, red, blue, and yellow) followed by the text "BNMC" in a bold, white sans-serif font, and a smaller line of text below it: "HEALTH & WELL-BEING", "TRANSPORTATION", "DISTRICT", and "INNOVATION COMMUNITY". To the right of these logos is a large, white, stylized BNMC logo. Further right is a large, diamond-shaped inset image showing an aerial view of the Kevin Guest House. The house is a large, modern building with a glass facade, surrounded by green trees and a large parking lot filled with cars. A white tent is set up in front of the house. At the bottom of the blue section, the text "Thank you to our friends at Kevin Guest House for all you do in our community." is written in a white sans-serif font.

Chris Wesley

Roswell Park's Director of Volunteer Services & Community Relations

Chris Wesley, as part of her role at Roswell Park, not only spreads the word about our mission to the thousands of employees on campus, but personally encourages them to attend our annual events. Additionally, as our main point of contact for events such as our three flower sales that we host for several weeks at a time, she has quietly arranged for many of the logistics that make those events possible inside the hospital and garnered thousands in donations. Lastly, she has encouraged volunteers and staff alike through the Cancer Resource Center to advocate for our mission and referred patients to our services over the last decade.

Shayleigh's Journey

Canastota, NY

Shayleigh is in her early 20's and the week of her mom's wedding was diagnosed with leukemia. She was immediately transferred to Buffalo and has been here for several months going back and forth between Buffalo General Medical Center for stroke treatment & her cancer care at Roswell Park. Her mom Tanya has been by her side & delayed her wedding. Shayleigh spent some time at a rehab closer to home and is back at Roswell for more leukemia treatment. We're all hoping for her recovery to celebrate special family moments again!

The Kevin Guest House has been a godsend over the past 5 months. It has become my second home. The staff is simply amazing as they are always asking about Shayleigh and making sure I am taking care of myself. They provide meals, comfortable living spaces and an extremely pleasant atmosphere while taking off a huge financial burden. Thank you all from the bottom of my heart. I can never repay you for all that you have done for me. "Home is not a place it's a feeling." This is how I feel about the Kevin Guest House.

Much love ~Tanya & Shayleigh

Dessert Dash

...a sweet way to donate to Kevin Guest House

We have a fantastic array of desserts available tonight. While waiting for dinner to begin, be sure to check out all the delicious desserts on display. **Dessert Dash is a table versus table silent bidding competition to earn the best desserts. The table with the highest total bid gets first choice from the dessert table, second highest bid - second choice, and so on.** While all tables will receive a dessert, only the 25 highest bidding tables will participate in the "dash" portion of the evening.

How it works...

You are sitting at a table with a table number. This is your "bidding group".

Work with your bidding group to pool the money (cash or check) you are willing to bid to get your choice of dessert, and place it in the red envelope. *Hint: Like the "Price is Right", it is sometimes important to make the total bid \$101 rather than \$100 to be a winner.*

If you'd like increase your tables total bid by donating online, please follow this link or QR code to make an additional gift. Instruct your table captain to indicate if any online Dessert Dash donations were made on the RED envelope for your table & the donor names if possible on envelope to complete your table total bid.

Designate a table leader to total the amount in the envelope, seal & write the total where indicated.

Volunteers will collect the envelopes from each table at 8:00. Dessert Dash will occur roughly at 8:30pm.

The results are tabulated and ranked, and the top 25 bidding tables will be announced. Each of these tables should send up a representative who will "dash" to the dessert table for their choice of dessert.

Special thanks to those providing tonight's desserts...

Parking Map

Vehicles can park as indicated in the map in yellow) to get the closest access to unload. This is due to the tent and street closure on Ellicott Street in front of the house, which will be blocked off. If arriving from 33 expressway, the best way to this lot is from Goodell, turn right on Washington, then right onto High Street and the entrance to the lot - the Buffalo Medical Group parking lot for event guests at 85 High Street across from Buffalo General Medical Center. (Another entrance is on North Oak). In the case of it being full, you can then park in the parking at 901 Washington Street designated for volunteers,
