

Together, your team can make a difference in the lives of patients and caregivers through their most difficult days.

The Adopt-A-Room Challenge allows your company, organization or team to sponsor a guest room, suite or apartment on the Kevin Guest House campus, providing a "Home Away from Home" for families traveling to WNY for critical medical care.

THE TEAM CHALLENGE

- Commit to fundraise as a team to adopt a guest room for one year.
- Choose a goal: \$1500 (room), \$2500 (suite) or \$5000 (apartment) & team name
- Challenge your team to fundraise online (we'll provide you with the website), or host a bake sale, can collection, happy hour, raffle a prize - creative fundraising options are endless! A corporate gift or match can support the team's efforts.

"Imagine picking up your entire life and planting it in another city all while dealing with a severe, life-threatening illness. All the worries seem overwhelming, but we were lucky enough to stay at Kevin Guest House. It really is a godsend." -KGH Guest, Dorene

ADDITIONAL OPTIONS TO KEEP YOUR TEAM GIVING GOING

- Choose a date to provide dinner for KGH guests.
- Host collection drive for all the essential items for your guest room: linens, bath items, cleaning supplies & toiletries.
- Provide a letter of support & encouragement from your team that we will frame in your adopted room.
