Cyril Garvey once said,

"If you are lucky enough to have just one good idea and work really hard on it, it makes life all worthwhile."

The house at 782 Ellicott Street, Buffalo was just such an idea.

THE Kevin Guest House STORY

We are fortunate to have state of the art health care right in our backyard. **Imagine if you had to travel many miles and stay away from home for days, weeks or even months to receive critical care for either yourself or a loved one.** Where would you stay? How would you afford it? That is the reality for the families who stay at Kevin Guest House. Our daily work is to help keep families together during their medical crisis and close to their care.

It was January 1972 when 13-year-old Kevin Garvey passed away. He had spent the last 18 months fighting leukemia, spending much of that time at Roswell Park Memorial Hospital. While at the hospital, Kevin's parents, Claudia and Cyril, witnessed the hardships of other families, who slept in their cars and waiting rooms because they were unable to afford lodging. Yet according to his siblings, it was actually Kevin, at such a young age, who saw others hardship and asked his parents to find a place for other families to rest their heads.

The Garvey's wanted to help those families, so they purchased the property at 782 Ellicott Street and opened their doors in July 1972, welcoming people to Kevin Guest House. More than 66,000+ guests, coming from Western New York, 49 states, Canada and 11 other countries, have stayed with us since then.

Located on the Buffalo Niagara Medical Campus, Kevin Guest House was the first healthcare hospitality house in the United States. We provide a comfortable home away from home for patients and their families who are seeking critical medical treatment at Buffalo-area hospitals and medical centers.

In August 2018, our campus grew to four properties as we opened the **Russell J. Salvatore Hospitality House** on the Kevin Guest House Campus, making us fully accessible for the first time and allowing us to serve more families. Our two main houses combine to offer 10 guest rooms, four family suites, common living and dining areas along with amenities from free laundry service and breakfast to our beautiful garden. The Russell J. Salvatore Hospitality House also includes two apartments, giving our campus a total of eight units which allow bone marrow and other transplant patients an environmentally safe place to recover within the required distance to their medical facility. In 2022, the KGH50 Campaign began to bring the oldest three buildings on the Kevin Guest House campus to the same standard as this newest building, in order to maximize capacity and serve our guests in the best environment for healing.

The door is always open at Kevin Guest House and we value bringing families together, acting with compassion, promote a culture of volunteerism, providing an environment with comfort & dignity, partnering with our WNY healthcare community and having a commitment to quality & progress.

Please visit us at [kevinguesthouse.org](https://www.kevinguesthouse.org) to learn more about how you can help.

DEAR FRIENDS OF KEVIN GUEST HOUSE,

Thank you for joining us in celebrating this 32nd **anniversary year** of the Affaire of the Heart & 53rd anniversary of opening our doors at Kevin Guest House. The Annual Affaire of the Heart is our signature event that has kept the light on each year for our guests. Our co-chairs, Jennifer Holler and Brooke Smith along with their committee have put together a fabulous evening and we are so grateful to longstanding partners **Ellicott Development** for hosting us at 500 Pearl, but also thanks to **Southtown Audio Video** for allowing KGH friends to be a part of the celebration virtually from home by recording tonight's presentation and still learn how they've made an impact for our patients & caregivers.

The chef at 500 Pearl has selected a delectable array of food stations paired with a variety of wines from Premier Wine & Spirits while listening to the musical stylings of DaydreamtheDJ, Meet the Bacons, UB A Cappella team, and The Buffalo Thrills to get us dancing throughout the night. Don't forget to take a chance at winning some of the fabulous prizes, each highlighted in different rooms including our themed baskets, wine wall, mystery hearts, and online silent auction you can continue to bid until 8 pm on Sunday, March 30th. You won't want to miss the opportunity to win one of several prizes in our grand raffle including a breathtaking Morganite ring accented by diamonds set in rose gold donated by Reeds Jewelers, a Southwest gift card paired with a Delsey Paris 3-piece spinner luggage set, and finally a pear-shaped emerald necklace donated by Kay Jewelers. New and exciting, only 100 tickets will be sold for an additional Diamond raffle and one winner will receive an 18k gold necklace with diamond inlay donated by Barbara Oliver jewelry that will be sold until sold out.

In our 50+-year history, there has been one individual at Roswell Park who quietly advocated for our partnership more than most than Dr. Philip McCarthy & Kevin Guest House's impact on their patient's ability to be close to their life-saving care and we are honored he has accepted our 2024 Kevin Garvey Award. More recently, Dr. McCarthy has provided invaluable advice to prepare our campus to continue to allow the most immune compromised patients to remain during the COVID-19 pandemic and plan for the future to make our campus the ideal space for the patients who need our services most.

In 1972 – The Garveys helped to start the healthcare hospitality movement that continues to directly impact guests today...

Our namesake, Kevin Garvey was nicknamed "heart" by his family, which inspired our logo and that of hundreds of homes across the world. Before Kevin sadly succumbed to his illness, he was able to see the houses that would be named after him, but passed away on January 14, 1972. His parents Cyril & Claudia continued their work to honor Kevin's legacy and opened the house to its first guest on July 26, 1972, with the support from then Roswell Park Memorial Hospital, so that future generations of patients & caregivers could focus on their health and worry less about the financial burdens that accompany life threatening illnesses away from home.

As brother Denis said, over the last 50 years, **"Kevin Guest House has become a beacon of hope providing shelter, comfort, and understanding to those in times of incredible need."** Now there are more than over 600 similar organizations worldwide and that small idea of the Garvey family has impacted millions along with over 67,000+ families traveling to Buffalo for life-saving care. A treasure in the heart of the Buffalo Niagara Medical Campus and one of the very best examples of the City of Good Neighbors, the work we do, directly provides the dignity, compassion and the "family" our guests need in some of the hardest days.

As brother Hugh said **"Kevin was only with us here on Earth for 13 short years but he has left a good and kind and everlasting footprint on our world."** **"Kevin's house is filled with his spirit. It shines through all of you who open his doors to all those in need. May God continue to bless you and all those who keep Kevin's memory alive"**, said sister Mary.

As we remember our history, reflecting on the impact our small house with a big heart that represents a young boy from Pennsylvania who lived a life full of strength, courage and a lot of heart, we hope you will continue to open your hearts to our mission in this next year. Affaire of the Heart, as our signature event, helps support a significant portion of our annual operating budget to maintain our four-building campus and provide quality service to our guests. If you do not find that perfect item tonight, we ask that you consider supporting our Pay It Forward Campaign in honor of many of the families Father Richard has referred to us over the last year. Your gift can literally help pay it forward for a guest who otherwise couldn't afford a place to stay during one of the most difficult times in their lives. We hope you enjoy tonight's festivities and will celebrate with us throughout the year and honor all those moments that made a difference for our guests. You are the reason that Kevin's legacy lives on for our families and will continue for the next half decade of service.

Cheers!

KEVIN GARVEY Award

Kevin Garvey was nicknamed “heart,” given after a family vacation because of his kindhearted nature. His mother Claudia said, **“in the eighteen months that Kevin lived with his illness, that finally conquered even his stout heart, he served constantly as a model and an example for all of us.”** Reflecting on the past 50+ years, much has changed on campus, but the heart of our mission has always remained. As brother Hugh said, “Kevin was only with us here on Earth for 13 short years, but he has left a good and kind and everlasting footprint on our world. May Kevin Guest House continue to serve those, like Kevin, at their most needed time, with a place of comfort, love, and life. As sister Mary said, **Kevin Guest House “shines through all of you who open his doors to all those in need”.**

As the inspiration for the Kevin Guest House, he was known for his open heart and loving spirit. In that tradition, the Kevin Garvey Award is given to a unique individual or organization that opens their heart to our home, showing their support and devotion to our guests and to the mission of Kevin Guest House. Kevin’s siblings and family are asked to consider some of the most influential supporters of the house in recent history to honor with such an award.

This year, we’re honored to celebrate Father Richard Augustyn, Director of Pastoral Care Kaleida Health and St. Jude Center on the Buffalo Niagara Medical Campus.

Tribute to Father Richard Augustyn

Rev. Richard Augustyn has been a constant and dedicated presence at the Buffalo Niagara Medical Campus for several decades. As the leader of the campus’s only spiritual center and the head of pastoral care services at Buffalo General, he has provided essential support to staff, patients, and families alike. Father Richard’s influence extends far beyond these roles, as he is frequently seen around campus, deeply involved in a wide range of activities. He has been a steadfast neighbor to Kevin Guest House along Ellicott Street and one of our longest-standing volunteers and advocates. Over the years, he has served many of our guests, helping them through their most challenging moments. A key referral source from Buffalo General Medical Center, he has also raised awareness about our services across all departments at Kaleida Health, while extending support to patients from hospitals throughout the region.

In addition to his pastoral care work, Father Richard has actively fundraised for our services through annual congregational collections and has attended numerous events in support of our mission. As the epitome of a kind and generous neighbor, we are proud to recognize Father Richard as the single largest advocate from Kaleida and our medical campus partners, quietly and consistently advancing our work throughout his career at St. Jude.

Online Bidding!

SCAN CODE &
BID UNTIL 8PM
SUNDAY NIGHT

Kevin Guest House is going high-tech by going mobile with our silent auction bidding. You can now place bids online with your smartphone or mobile device.

Register online at **AOH25.givesmart.com** or text **AOH25** to **76278**.
You'll receive a text message with a link to your own personal bidding center.

LET'S GET STARTED!

How to bid: Once you have completed a registration on the campaign, you will receive the welcome text message, linking you to the items to browse, bid or buy.

- ♥ **Click on the Blue link in the Welcome text to be directed to the Items page.**
- ♥ **View Items by category or search by Item number or name.**
- ♥ **Click the item of interest to view the description as well as the current bid & or price.**
- ♥ **The system will auto-populate the bid amount based on the set increment for the item.** Choose to bid at the set amount or higher.
- ♥ **Click Bid.**

HOW TO PLACE AN AUTO BID

Allow the system to automatically bid up to a designated amount for you. The system will bid incrementally up to the amount designated as long as someone else places a bid against you. If no one bids against your auto bid, the price remains the same.

- ♥ **Click the item of interest**
- ♥ **Click the Auto Bid tab**
- ♥ **Enter in the maximum amount you would like to bid**
- ♥ **Click Bid**

Note: When two bids are placed for the same amount, the bid placed first based on the timestamp wins. Timestamps are set when the initial bid is placed, for auto bids this is when a maximum was set not when the system prompted the bid to win. This is a preventative measure for auction sniping.

Lucas's Journey

Lucas (just over a year old) has been diagnosed with a rare form of Retinoblastoma, a type of eye cancer, which has left him with two detached retinas and no vision. Currently, Lucas's family—his parents Jim and Sara, and his brother Liam—are navigating this difficult journey. Lucas' medical care will involve frequent trips to John R. Oishei Children's Hospital and Strong Memorial in Rochester, and as you can imagine, this comes with a significant financial burden. Lucas had to have one of his eyes removed; and continues chemotherapy. Many don't know, but pediatric cancer patients are treated here in Buffalo at the Roswell Park Oishei Children's Cancer and Blood Disorders. Combining the expertise and capabilities of two premier specialty centers — the region's only stand-alone children's hospital and NCI-designated comprehensive cancer center — to offer world-class care right here in Western New York.

"We are deeply grateful for the opportunity to stay at the Kevin Guest House during this unimaginable time in our lives. Knowing we have a safe, welcoming place to call home while Lucas undergoes treatment gives us one less thing to worry about and allows us to focus entirely on him.

The warmth and kindness we've experienced here remind us that even in the hardest moments, there is so much good in the world. Thank you for giving our family a sense of comfort and hope as we navigate this journey." — James Kemp

Audrey's Journey

When Audrey Williams, a college student, woke up one morning with a swollen lip, her mother never imagined it would be the first sign of a life-changing diagnosis. Mom asked her to get it checked out and that same day Audrey was being transferred from Wyoming County hospital to Erie County Medical Center via ambulance. Audrey was diagnosed with Leukemia and admitted as an inpatient at Roswell Park where she remained for over a month. The aggressive chemotherapy was grueling, but eventually, she was able to return home while awaiting a life-saving stem cell donor match. The simple text below to her parents and her own self-awareness that something wasn't right, Audrey's journey became more complicated than expected.

Maybe I bit it in my sleep?

The weeks were filled with intense reactions to chemotherapy, numerous blood transfusions, and frequent medical appointments, including another bone marrow biopsy. Throughout this journey, Audrey's family traveled back and forth between their home in Dolgeville and Roswell Park in both Schenectady and Buffalo, managing the emotional and logistical challenges of her treatment.

Finally, a selfless 18-year-old donor came forward, offering the life-saving donation Audrey desperately needed. His stem cells were flown to Roswell Park immediately, and within a day, Audrey underwent the crucial transplant. Audrey and her family were guests during her transplant process and remain deeply grateful for this incredible gift of life and a safe place to stay during their time here in Buffalo.

Inspirational Pavers

“In the 1990s, a friend introduced me to the ‘house with a heart’. I brought my husband David and later he, along with an Eagle Scout and others, had the privilege of creating and implementing a plan for what is now the beautiful Healing Garden at Kevin Guest House. An integral part of the garden design was its planned installation of inscribed pavers, meant to honor loved ones or memorialize a stay. Now there are many pavers throughout the garden — each engraved with a loved one’s name, heart or phrase — providing hope and peace to all who walk through.”

- Katherine Carlson

Our Healing Garden is one of the only green spaces on the Buffalo Niagara Medical Campus and our walkways are often the only critical exercise & fresh air our immune compromised guests get during their stay.

If you'd like to purchase a paver, call us at **716-882-1818** or visit kevinguesthouse.org/give/garden.

Caleb Went HOME!

At just 18 years old, Caleb was given two weeks to live when he arrived at Roswell Park. In the last 4+ years, he has only been home for 3 months.

Through it all, “Nana” Sue never left his side, and his family has visited as often as they could. Your support has been a beacon of hope for Caleb and his family. Because of your generosity, Grandma and Grandpa were able to be by Caleb’s side every single day during his battle. And in December 2024, after all the heartache, Caleb was able to finally go HOME!

This is a story of resilience, love, and unwavering strength. Thank you for being a part of their journey and helping keep the fight alive. Let’s continue to support families like Caleb’s—because together, we can make a difference.

OUR WISH

is to free our world from the fear, pain and
loss due to cancer — one act of compassion,
one breakthrough discovery, one life-changing
therapy at a time — until cancer is gone.
