

# Presenting our 2025 Heart Award Honorees:

## Individual Honorees: Jennifer & John Holler, Chairs of AOH

After retiring from a career at UB, Jenn Holler sought a meaningful volunteer opportunity where she could roll up her sleeves and make a difference. Jenn and John quickly became invaluable to Kevin Guest House, dedicating themselves to our events throughout the year. Jenn also volunteered to co-chair our largest fundraiser, Affaire of the Heart. Their dedication, attention to detail, and leadership have inspired many friends and family to join in support.

## Youth Honoree: Ella Yusick, Student at Sacred Heart Academy

Ella began volunteering in the summer of 2024, regularly assisting with a wide variety of tasks — from organizing storage and cleaning out the pantry to preparing meals and helping with office work. She also recruited her Sacred Heart tennis teammates to volunteer after our Supper in the Street event, tackling the massive post-event cleanup.

## Healthcare Partner Honoree: Public Safety Office of Roswell Park Comprehensive Cancer Center (RPCCC)

While many guests choose Kevin Guest House for its proximity to nearby hospitals, there are days when walking to appointments is simply too much. The RPCCC Public Safety team generously provides a complimentary shuttle service — reliable, safe, and always offered with a smile. This simple, thoughtful gesture helps ease a heavy burden during incredibly difficult times.

## Group Honoree: National Grid

If you've passed by our campus in December, you've likely seen our historic Victorian homes adorned in festive lights and greenery. This stunning transformation is made possible by our friends at National Grid, who provide a full crew — and even a lift — to help decorate. Their support extends beyond the holidays; they assist with transporting event supplies, volunteering, and most recently, facilitating the relocation of a utility pole to make way for our carriage house renovations.
